

## **The 50th session of the UN Commission on Narcotic Drugs in Vienna**

The 50<sup>th</sup> session of the UN Commission on Narcotic Drugs is taking place in Vienna, 12-16 of March, 2007. Romania will be represented by a delegation lead by chief quaestor professor Pavel ABRAHAM, LLD, president of the National Anti-drug Agency.

The items on the agenda refer to the new world challenges of the control of precursor activity, the action plan for the implementation of the Declaration guiding principles of drug demand reduction, the world situation of narcotic trafficking, international cooperation in judicial matters and the enforcement of the international treaties regarding drug control.

On this occasion, a useful information exchange will take place regarding the new trends in the diversion and trafficking in the precursors used in the illicit manufacture of narcotic and psychotropic substances and, at the same time, the measures that need to be taken in view of strengthening the Programme on the fight against drugs, promoted by the UNODC, will be revised, as well as the role of the UN Commission on Narcotic Drugs, as project leading body.
